1. Now come to Me more. Come to Me more and let Me reveal to Me My secrets, secrets of My Kingdom, the secrets of My Kingdom coming forth. The Kingdom, the Kingdom, The Kingdom of Heaven coming forth for centuries advancing, for centuries four, for four centuries, centuries advancing. I love you.
2. In to Me. **See** what I am saying and what I am doing and **what I am asking for and how I** plan, desire, yield, **beg to flow through you in fullness**; fullness designed of only Me, fullness not defined even by you, fullness not even defined by you; fullness you cannot imagine, grasp or understand--**yield to this day**. Yield to the fullness that I am, **yield to fullness that I am calling you to. Yield to the time limits none and limit Me not but give Me your days.**
3. I asked for your mornings early last year, you said yes and you began, you began, you began, you began, thank you. You began. I love you. You began. Thank you. You began to give Me your mornings, portions of your mornings, and mornings altogether Mine some, but enough for Me to begin to flow, begin, begin to flow through you like I am, like I have, like I want to, but only begun, begun, begun.
4. Please now accelerate in Me and come to Me and let Me flow.
5. Let Me fullness you in the fullness that I am; Seeing Me, being Me, and bringing forth the Priesthood of All Believers that await, that await, that await, that await at your command, being My command; My voice coming through your voice, My being coming through your being, My eyes through your eyes, My hand through your hand, My touch through your touch: **healing, healing, healing;** yielding bringing forth of only Me. Bringing forth to Me. I love you.
6. Taint not that which thou doest, desire to please only Me. Thank you. Taint not your hands not on touching not My anointed, touching not My mighty many except in My power, in My love, in My direction. My words coming forth over them, into them, through them, underneath them, encircling them, **spiraling them up into Me**. See, see, see Me. I love you. Lifting them I am, you are. I love you.
7. Into the Mighty Many: see their hurts, their pains, their debilitating disabilities and their vision-not, their inability to see, inability to hear, their yielding-not which has prevented them from Me coming, becoming, becoming Me, feeling Me so little. I love you. I am feeling, I am experience, I am experiential, and I am altogether all-encompassingly lovely.

8. I love you. Now flow My words, **flow My words more, eyes wide open all the time upon your desire/My desire, our desire being one,** flowing in mightiness, Mighty Many recapturing for Me.
9. I love you. Glow, glow; grow, grow, flow and grow now, accelerating into **My second Adam,** piercing mightily; afraid none, none, none; **traversing every bridge with Me.**
10. I love you. I come through Me, I come through you, **I come through My words**. I come through My words through you, to you, through you to My Mine, **through My Mine to each other.** My Mine'd am I indeed coming forth; not limited to only Me but distributed, distributed, processing equally My Mighty Many coming forth who will yield, yield, yield and let Me. My submissionship and My yielded Mighty Many coming forth in leadership, allowing leadership, never raising their heads above Me. I cast down.
11. I love you. I enable, I empower, I bring forth the Mighty Many--watch Me. Come and clarify your role, clarify your role of clarity more, more, more; nothing withheld, no limits.
12. Come to Me. Come to Me now, crawl no more. Run, run, run into Me to run, to cross, to soar, to fly, more, more. **Flying you are, gently, slowly; so much more called for.**
13. Now enable, limit Me not. Go forth, forward, fly, higher, accelerate, descend not, ascend yes into Me, ascend more, more, coming into My room, My throne, My quarters, intimacy with Me more, greater, quiet hues of color with Me, only Me; quiet hues of living color. Colors which you have never seen, colors which you have never tasted, things you have never experienced, sessions where I come through you and the beauty, the beautiousness of the Most High, Me.
14. Shouting not, ever so tenderly, ever so softly, barely hearing My replies, My requests you are.
15. **Now this day tenderly place My hand upon you, your shoulders, lifting you, asking you to come more, I pray thee now. I love you.** Sensitize, sensitivity of only Me, **sensitive to only Me, My Spirit only, speaking,** enabling, empowering, envisioning, giving vision to every situation, every circumstance, every power of glory and glory of both Me and not Me; and knowing what to do next and how to do it: What to say, what to show, how to speak Me and be Me and be My word, My flesh, My bone, My marrow, My blood so that others can eat Me; And power be, and the glory and raiment of Me, the Most High. Empowering My Mighty Many, the Priesthood of All Believers coming forth, drink-offering'd before Me, who through death have come and of death are not afraid; Fearless ones mature in Me who have drank Me, eaten Me, and understand Hebrews, Romans, Corinthians, and **all the books that I shall speak through them**, through them, through them to Me, empowering others many along the way.
16. Understand; see Me, what I am calling forth this day: the Mighty Many creating, creating, creating as I come forth through My body. No limits, no boundaries. I love you.

17. Please come more. **Please come more. All details, all exonerated, explicitly linked, knowing My voice in Me, in Me knowing My voice; explicitly linked, yes.** Explicitly and implicitly, disconcertingly not, but peace'd ones who at My peace have peace received and peace become, and peace operate in and through, and see, envisioning, enverbiage of only Me. I love you.

18. I love you. I love you and I come forth in power, I come forth in might--be ready. You are ready, ready not and ready, ready mostly, ready. Come, come more and ready be. Ready now FIRE. Aim not, FIRE. I aim, FIRE; Fire coming forth now through your nostrils, through My nostrils coming forth in fire, **to fire baptize My holy ones to walk before Me holy**, in holiness, in temperance, diligence, aggression none, faint-hearted-one not; the strong, the mighty, the Mighty Many glowing, glowing forth in My raiment. I love you.

19. Go to bed, rest. The Mighty Many come forth, the Mighty Many come forth, the crack of dawn coming forth, **the Mighty Many coming forth at the crack of dawn.** Thank you. I love you. I love you. Glory be. Glorify My glorified ones, glorify My gloriables now, glorify Me, I glorify you: **purity and holiness and fire baptized death that now all life arises.** I love you. I give you Me.

20. Into Me see and all I have said and all I have given you in this meeting on your knees this night; clarifying, clarifying, clarity, calling forth My Mighty Many, calling forth you into My bosom more, segmented and separated with only Me; pulsating with My words in powerful power, fueled, power fueled of only Me. My rhythms, My raiment, My raiment, My priesthood of All Believers, My tools, My timing, My technology, My people, My countries all evermore you shall be and reign with Me, My arm around you. I love you.

21. Thank you for dying, death having no hold over you. Drink not death nor any other arraign-ment, nor any other institution or power, illegitimate. I love you.

22. **I give you Me. Into Me see and all I have said and all I have given this night, this moment, this time, 3:00 a.m., 4:00 a.m.; more at 5:00, 6:00? Will you let Me flow? Into My papers, into your papers write, let Me flow in every paper**.

23. See Me. See My wisdom, see My knowledge, see My understanding. **See** what I give, how I give, how I display, how I intersect inter-polar geometrical planes, shapes, colors of only Me, into futuring, into fashioning, into forming My focusing devices that come through Me to focus My energy, My photons into light making machines of only Me that focus My white towers coming forth connecting in grids of only Me. I love you.

24. See Me, see Me, see the power, see the power in what I am saying. See the power in what I am saying. I love you.

25. Faint not as faithless ones who faith adopt: role, borrowing in Me. Faint not at accusations or accusers, but stand strong in Me and the Mighty Many coming forth that will follow Me and My bidding, My beck and call, all together: one--in moments of madness and chaos not, but in perfect peace, order and formation, form of only Me. I love you

26. I give you Me this day: come, come. Call and conquer clocks all, conquer timing, divergencies which cry out so loud, My others maturity seeking. **I love you and I give them Me.** Let Me speak. **Let Me trust through you now for your trust to arise even greater**, so much greater, so very much greater, magnanimously magnitudes of only Me, heights and breadths and depths of only Me. In to Me see. My wire cages, **My infrastructures coming forth.** Wire cages which limit and constrict not, but provide the steel, **the inner elocutionary devices of interlocking magnets** of only Me. I love you. I give you Me.
27. See Me in what I am saying. See in to Me what I am giving you. See into Me My blood and sinew, My bone, My blood, My water, pure water. I love you.
28. Go and glow and be robbed none. All affluence comes, influence of only Me: Me, Me, Me and only Me. Not you or yours, Mine. Mine given, died for, died for upon My Cross, died for upon your cross. **Death not taken up, death taken on in one.** I love you. Through My death, your death. Now I speak, you speak. Go forth and light shine, lighting the candle towers of My Mighty Many nations, every single one. I love you and I limit you not and strange not in anyway what so ever.
29. **Have I said it enough? Have I clarified? Have I given you clarity? Come more.** Thank you.
Amen
